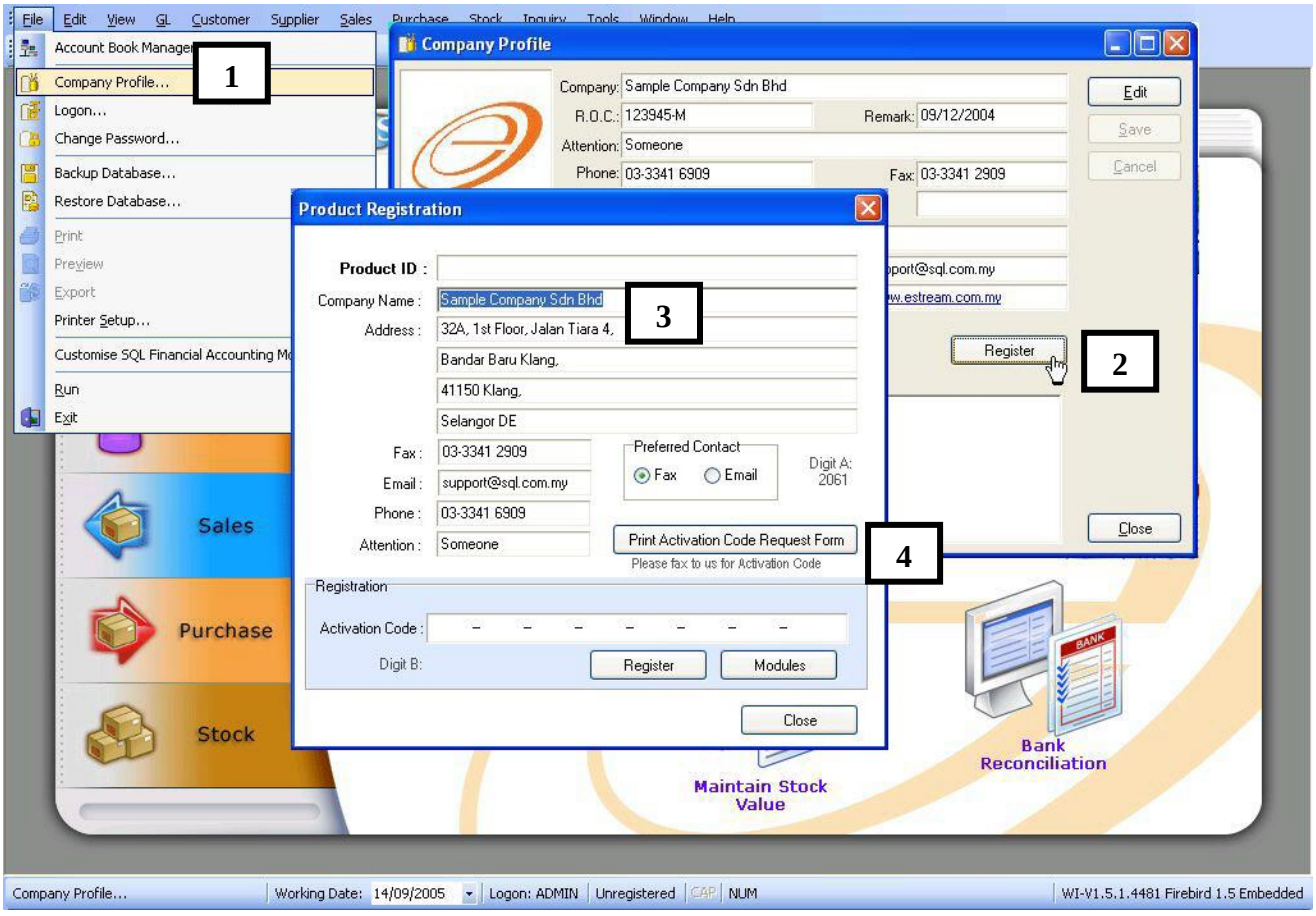
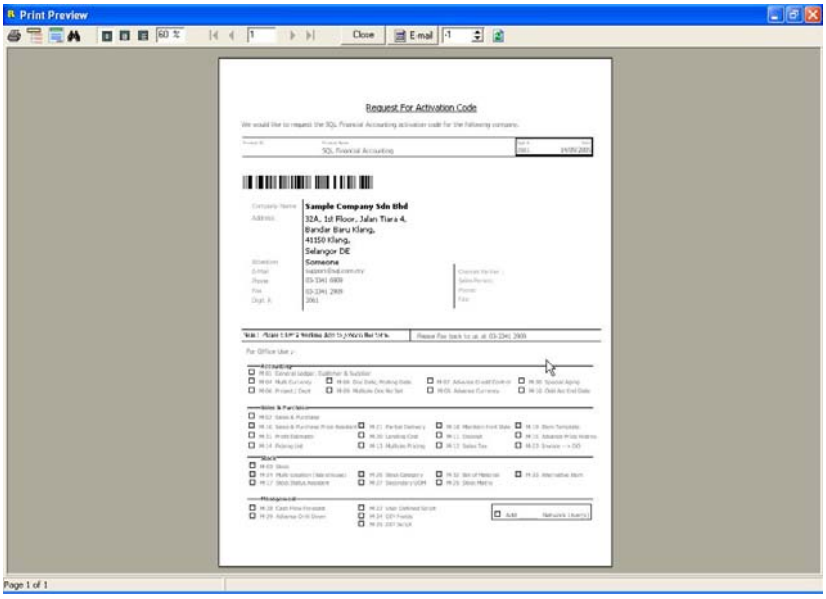
Thank you for using SQL Accounting Software. The following are step by step guide on how to register an account book.

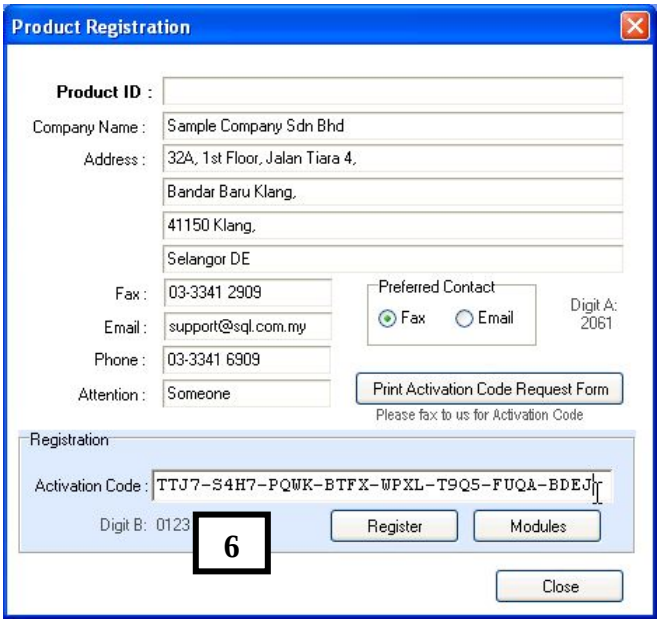


1) Go to File > Company Profile
2) Key in your address and click Register
3) Key in the product ID from the CD cover. Fill in all the details of your company name and address. Make sure all the details are exactly how you want them (including comma and fullstop) because the code we issue upon payment will be base on what you input in the details.
4) Click "Print Activation Code Request Form".

5) E-mail the following report to desmond@estream.com.my or fax the following report to 03 3341 2909.



6) Key in the code we issued and click register.



7) This process is required for all new company account book, change of address, or change of company name registration. Please reserve 2 working days for issuing of codes.

If you need any additional information, please call support at 03 3341 6909.

Thank you for using SQL Software. Have a pleasant week.
